

SUPPORT GROUP AWARDS 2020 APPLICATION FORM

The annual Support Group Awards reward the incredible work carried out by cancer support groups across the UK. The awards recognise the support group leaders and healthcare professionals, who give up their spare time to support and work closely with people affected by mouth, head and neck cancers.

Support groups have become a place of solitude for mouth cancer survivors. It is a place where they can share their experiences, and ask questions in a relaxed and friendly atmosphere. It is also a place where carers, relatives and friends can go for help and advice. The Mouth Cancer Foundation recognises the impact that they have and how they can help improve a patient's quality of life.

The Mouth Cancer Foundation Support Group Awards 2020 are open to all support groups or projects that are dedicated to supporting people solely affected by head and neck cancers. The awards highlight that local accessible support has a positive impact on the quality of life of patients, families and their carers.

Mouth Cancer Foundation Support Group Grants:

- Gold Support Award £2000
- Silver Support Award £1000
- Bronze Support Award £500

Please submit completed application by 31st March 2020

Winners of the Support Group Awards will be announced in June 2020

The Mouth Cancer Foundation will look for evidence of work that:

- Improves support services to head and neck cancer patients
